Dear Mr. Weisberg:

You may pick up 25 copies of BOOKS/June

at the desk^{*} of the Sheraton Park hotel

after 2 p.m. this Saturday (June 4). I'll

be arriving about that time to spend a few

days at the American Booksellers Association

meeting scheduled for the Shoreham. (You might

get one of the publishers exhibiting at the

Shoreham to consider distribution of your book.

Perhaps Dick Grossman, of Grossman Publishers,

should be approached.) I run your entire

Conclusion, per your approval; you should be

able to take publicity advantage of the

spread.

Sincerely,

 Jerome Agel

*--Your name will be on the package(s). You

might also give me a ring from the desk.
